...get ready for some serious fun... (and some wonderful photo opportunities).

Performance Options

Each of these comedy variety shows is personalized and tailored for your specific group or venue. Each production is enhanced by a variety of pre-recorded or live music. A sound system, lighting, and professionally designed backdrop can be provided.

The Original Comedy Variety Show...

A 45-55 minute performance for banquets, community celebrations, fairs, festivals, and special events. This is Larry's most often requested show, and is popular with all types of audiences. This is the original show from which the following options were created.

Swings the Thing or Jump, Jive, Joke, Juggle & Jazz...

A 60-75 minute performance featuring Larry, along with a five-piece band, performing your favorite music from the swing era. The band can provide social and dinner music prior to the show and a variety of dance music following the performance.

Tee Time, Leisure Time, Showtime!...

NEW!

Larry's newest performance option, featuring a sports theme. See golf, tennis, and other sports-related items juggled and used as props. This show is perfect for corporate picnics, banquets, and country club audiences.

The Frontier Follies...

A western or frontier themed show with an old-time medicine pitch. This performance can include live or pre-recorded music. An 8' high by 14' wide "Last Chance Inn" backdrop can be the setting for this production.

Create A Script...

Have a script written, and performance created, for your special event. Scripts are customized to embellish your theme, and can include pertinent information about the event, and/or the sponsors.

Holiday Magic...

A 45-55 minute, end-of-the-year, holiday-themed, secular, comedy variety show. Available annually from Mid-November through January 1st.

Seminars & Keynotes

A Message with Magic...

Variety entertainment to enhance, reinforce and deliver your message for conferences, seminars, and trade shows. Presentations can also be created for annual meetings, year-end reports, sales meetings, and/or other events. Scripts utilizing a visual component are specifically written from and with the information you provide. Key words to deliver your message are combined innovatively with toss juggling, magic, object manipulation, balancing, and feats of dexterity.

The Juggling Metaphor & More...

Discover the state of relaxed concentration, the key to achieving your highest potential... and more. Take a break for creativity. This is an energizing, fun, hands-on experience using juggling as a metaphor for learning and creativity. Learn to juggle three scarves in as little as 10 minutes. Discover the process of stepwise motor learning; how to balance playfulness with serious purpose; and why failure is important. This seminar can be combined with a kick-off and/or culminating performance.
